Re: Hoot Systems, LLC. Aerobic Treatment Systems

Dear Mr. Suchecki:

This correspondence is in response to your November 3, 2008 and May 5, 2009 submittals to the Department regarding the inclusion of Hoot Systems, LLC. as an applicable manufacturer under New Jersey's Aerobic Treatment Systems Guidance Document. Your submittal, which was specific to the use of your H-Series Aerobic Treatment Systems in the State of New Jersey, meets the requirements of General Condition B.3. of that guidance document. After reviewing those submittals, the Department will be processing your request to list Hoot Systems, LLC. to the list of applicable manufacturers, available on the Department's website, for its H-Series Aerobic Treatment device.

If you have any further questions, please contact me or Mark Miller of my staff at (609) 292-0407.

Sincerely,

Eleanor Krukowski, P.G., Supervisor
Onsite Wastewater Treatment Systems Unit
Bureau of Nonpoint Pollution Control
